## February 2018

Dear Faithful Partners,

In saying **“THANK YOU for your partnership in the Gospel,”** I am reminded of God’s providence in the pivotal points of history:

- It was at the Cross of Jesus Christ where God dealt with Satan, sin, and our transgression.
- My salvation in 1950 was a turning point for me.
- 1954 was a new beginning for both Yvonne and me, for that is the year we were married.
- In October, 1958, after graduating from Bob Jones, we came to Norfolk, VA, to begin a ministry to the Military.

We can look back over many years and clearly see *the Hand of God in the glove of history!*

In turning the calendar to 2018, nothing has changed except a new number at the top of the pages. Yes, we are debtors to the grace of God and optimistic about tomorrow.

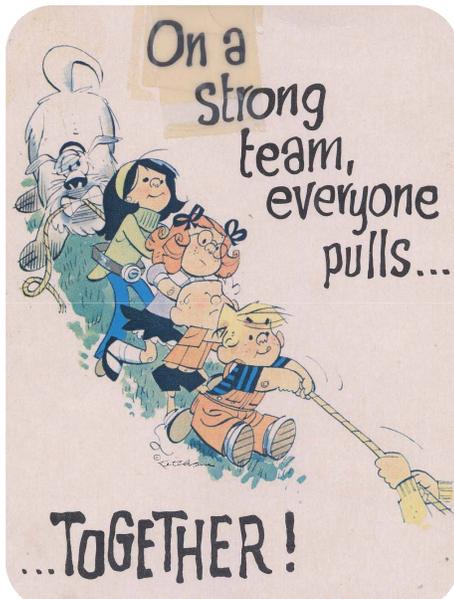

In the words of Robert McCheyne,  
***“When I stand before the Throne,  
dressed in beauty, not my own,  
When I see Thee as Thou art,  
love Thee with an unsinning heart.  
Then Lord, shall I know,  
not till then how much I owe.”***

We look back on nearly sixty years of winning and training the Military for Jesus Christ. Along the path of the Military ministries, our path was highlighted by my brother, Lowell, and I founding Bible Broadcasting Network more than forty years ago; expanding MTM to France to begin winning and training French Military for Christ, as well as in Ukraine for the Ukrainian Military; then came the privilege of founding Colonial Baptist Church, in Virginia Beach in 1979, while Yvonne began and taught a Ladies Bible Study for thirty-six years. It seems like Yvonne and I were called to start new ministries then hand them off to wonderful people who could pick up the baton and carry the ministries faster and further than we ever dreamed. **God is so faithful!**

As I have so often said, Missions To Military is like a little egg-shell bouncing around in a big ocean; however, we continue to bounce and pray for new laborers to help us as we bounce. God has told us in His Word, "...**The harvest truly is plenteous, but the laborers are few. Pray ye therefore the Lord of the harvest that He will send forth laborers into His harvest**" Matthew 9:37-38.

Today, the Military continues to be a big field that needs to be harvested, so could I challenge you to **PRAY WITH US FOR NEW LABORERS?**

Missions To Military is not a one-man mission, but we are a team, pulling together to win and train the Military for Jesus Christ.

Again, **WE THANK YOU** for your partnership as you support and pray for us in this harvest field where God has so lovingly placed us.

We trust 2018 will be a blessed and fruitful year for you as you continue living in the light of eternity.
